**Certificate No. 2936-CPR-001**

**concerning initial inspection of the works and the factory product control**

According the Regulation No 305/2011 (Construction Products Regulation) of the European Parliament and of the European Council of 9 March 2011, it is hereby certified that the construction product:

Trade name: **Modersohn Anchor Channel MBA**

Product family: **Anchor channels**

according the European Technical Assessment **ETA-13/0224** of **26 March 2019**

Manufacturer: **Wilhelm Modersohn GmbH & Co.KG**  
**Industriestraße 23**  
**32139 Spenge**  
**Germany**

Manufacturing plant: **Wilhelm Modersohn GmbH & Co.KG**  
**Industriestraße 23**  
**32139 Spenge**  
**Germany**

is subject to factory product control by the manufacturer.

The Notified Body FFCert GmbH (NB 2936) has checked the documentation of the factory product control on **2023-02-15** at the manufacturing plant.

This certificate confirms that the provisions laid down in the testing plan to the **ETA-13/0224**, which concern the attestation of conformity and the performance characteristics of the product, have been applied.

The certificate is valid until the **2026-06-30**.
